

**Planning Overview**  
**Netball**

**Year 3&4**

Lesson	Main lesson objectives	Teaching Activities	Learning Outcomes
<p>Passing, receiving and moving</p>	<p>For all children to be able to pass using a variety of methods</p>	<p><b>Teach the children to pass with accuracy using different techniques.</b> Support the children to understand when to use the appropriate pass. <b>Teach the children the footwork rule</b></p>	<p><b>Children will be able to demonstrate a range of passes with increasing accuracy and decision making skills, both opposed and unopposed.</b> Children begin to understand and obey the footwork rule. <b>Children will show positive movements into space to receive the ball.</b></p>
<p>Spatial awareness and understanding of positioning</p>	<p>For all children to demonstrate awareness and understanding of where each position is allowed to move within and how to position themselves to support other players.</p>	<p>Show the children how to change direction competently. <b>Talk to the children about why we move into space.</b> Look at how we can develop space and support each other. <b>Teach the children each</b></p>	<p>Children will be able to create and use space effectively. <b>Understand where each position plays and begin to understand their roles and responsibilities.</b> Children will understand the</p>

		<b>position and the responsibility each position has on the team.</b>	formation of their team. <b>Children make use of space during play.</b>
Shooting	For all children to aim and shoot with increasing accuracy and use correct technique to score.	Teach the children where they can score from. <b>Correct techniques of shooting.</b> Importance of balance and control when shooting. Improve technique and accuracy.	Demonstrate correct technique. <b>Understand where they can score from.</b> Become more confident in front of the net, shooting with increasing success.
Defending	For the children to intercept a pass and close down the oppositions space.	<b>How to defend and deny space for the opposition.</b> Using effective communication to work as a team. <b>To develop a range of techniques and skills for defending.</b>	<b>Know how to make it difficult for opponents to keep the ball.</b> Know how to successfully defend as an individual and team. <b>Have developed a greater range of techniques and tactics of defending.</b>
Attacking	For the children to evade passes being intercepted and create space and improve chances of scoring.	Show the children ways of retaining possession- with good support and decision-making. <b>Using effective communication to work as a team.</b> To develop a broader range of techniques and skills for attacking.	The children will be able to make quicker and better decisions. <b>Use different tactics to keep the ball.</b> To develop a range of techniques and skills for attacking.

<p>Competition</p>	<p>Children to play in small sided games, keeping scores and bring forward previous weeks learning experiences.</p>	<p><b>Encourage the children to use previous weeks learning to showcase their ability in small-sided games.</b>  Support the children's knowledge of rules and tactics.  <b>Encourage fair play and good sportsmanship.</b></p>	<p><b>To choose and use information to evaluate their own and others work.</b>  To demonstrate and explain rules of netball.  <b>Children will be able to select and apply the right skills in different situations.</b></p>

## 5&6

Lesson	Main Lesson Objective	Teaching Activities	Learning outcomes
Passing, receiving and moving	For all children to use a variety of passes and receive the ball with speed.	<p><b>Teach the children to pass with accuracy using different techniques including accurate bounce pass.</b> Ask the children to think about when is the best time to run or pass.</p> <p><b>Support the children to understand when to use the correct pass and within a time limit.</b> Ensure children understand footwork rule and apply it.</p>	<p><b>The children will be able to demonstrate a range of passes and decision making skills for success, both opposed and unopposed.</b> Children understand and obey footwork rule.</p> <p><b>Children will show positive movements to receive the ball.</b></p>
Spatial awareness and understanding of positioning	For all children to demonstrate awareness and understanding of where each position is allowed to move within and how to use that space to their advantage.	<p><b>How to change direction competently.</b> Talk to the children about why we move into space.</p> <p><b>Look at how we can develop space and support each other.</b> Teach the children each position and responsibility on a team.</p>	<p><b>Children will be able to create and use space effectively.</b> Understand each position's roles and responsibilities.</p> <p><b>Understand the formation of their team and how players can work together in order to retain the ball.</b> Very skills for different situations showing control and accuracy.</p>
Shooting	For all children to aim	<b>Teach the children which</b>	<b>Demonstrate correct</b>

	accurately and use correct technique to score with increasing success.	<p><b>positions can score an the positions within the D that are best to shoot from.</b> Show them the correct technique of shooting. <b>Teach them the importance of balance and control when shooting.</b> Refining and developing technique.</p>	<p><b>technique consistently.</b> Understand where they can score from and which positions it is best to get increased chances of scoring. <b>Shoot and score with increasing success.</b></p>
Defending	For the children to select and apply a range of defending tactics.	<p><b>How to defend and deny space for the opposition.</b> How to defend and where to force the attackers to. <b>Using effective communication to work as a team.</b> To develop a broader range of techniques and skills for defending.</p>	<p><b>Know how to cause problems for opponents making it difficult to keep the ball.</b> Know how to successfully defend as an individual and team. <b>Children will have developed a greater range of techniques and tactics for defending and will vary these to suit the situation.</b></p>
Attacking	For the children to select and apply a range of attacking tactics.	<p><b>Show the children ways of retaining possession with good support and decision-making.</b> Using effective communication to work as a team. <b>To develop a broader range of techniques and skills for</b></p>	<p>The children will be able to make quicker and better decisions. <b>Use different tactics to keep the ball.</b> To develop a wide range of techniques and skills for attacking.</p>

		<b>attacking.</b>	
Competition	For the children to use and apply a range of learned skills selectively in small sided games.	<p><b>Encourage the children to use previous weeks learning to showcase their ability in small-sided games.</b></p> <p>Support the children's knowledge of rules and tactics.</p> <p><b>Encourage fair play and good sportsmanship.</b></p>	<p><b>To choose and use information to evaluate their own and others work.</b></p> <p>To demonstrate and explain rules of netball.</p> <p><b>Children will be able to select and apply the right skills in different situations.</b></p>
