Section	Changes Made

Designated Nursery Provision

Manor Ducklings

Children will be admitted in September of the academic year in which they become four years old. It is Manor Primary Academy's policy to try and meet parents' wishes where possible, however there may be more applications than there are places. A source of funding such as (NEF) 30 hours child care for working parents or private finance must be in place before a place can be awarded. Full time places may be given priority over part time and may be awarded in consideration of the number of sessions requested. Admission in these circumstances is determined by the oversubscription criteria detailed below.

Oversubscription Criteria

If the total number of preferences for admission to a nursery age setting exceeds the number of available places, then the following order of priority will be used to allocate the available places. If children have attended Manor Ducklings Nursery full time the previous year as a 'rising three' (in the term after they have turned three years old) they will be deemed to already have a place for the following year.

In accordance with legislation, children who have a statutory Education and Health Care Plan (EHCP) that names a particular nursery setting must be admitted to that nursery. This will reduce the number of places available to other applicants.

1) Children in care and children who ceased to be in care because they were adopted (or became subject to a child arrangements order or special guardianship order), including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted

2) Children who satisfy both of the following tests:

Test 1: the child is distinguished from the great majority of other applicants either on their own individual medical grounds or by other exceptional circumstances.

Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This report must clearly justify, for health reasons only, why it is better for the child's health to attend Manor Primary Academy nursery rather than any other nursery.

Exceptional circumstances must relate to the choice of nursery and the individual child, i.e. the circumstances of the child, not the specific economic or social circumstances of the parent/carer, and be supported by a professional report (obtained by the applicant and provided at the point of application), e.g. social worker, justifying why it is better for the child to attend the preferred maintained nursery rather than any other nursery.

Test 2: the child would suffer hardship if they were unable to attend the preferred nursery setting.

Hardship means severe suffering of any kind, not merely difficulty or inconvenience, which is likely to be experienced as a result of the child attending a different school.

Applicants must provide detailed information about both the type and severity of any likely hardship at the time of application.

3) Children who have an elder brother or sister in attendance at Manor Primary Academy and who will still be attending the school at the time of the proposed admission date.

(For admission purposes, a brother or sister is a child who lives at the same address and either: have one or both natural parents in common; are related by a parents marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.)

4) Children living within the defined catchment area of Manor Primary Academy.

5) Other children arranged in order of priority according to how near their home addresses are to the main gate of the nursery setting, determined by Google Maps.

Where it is not possible to accommodate all children applying for places within a particular category then Manor Primary will allocate the available places in accordance with the remaining criteria. If for instance, all the catchment area children cannot be accommodated at the school, children who are resident within the catchment area will be arranged in order of priority according to distance i.e. category (5).

Additional Notes

Copies of school catchment area maps are available from the Local Authority or individual schools.

There is no charge or cost related to the admission of a child to a school.

Applications for maintained nursery settings are processed by the School.

Children in Care means children who are in the care of, or provided with accommodation by, a local authority in accordance with section 22(1) of the Children Act 1989 at the time of making the application.

It is the applicant's responsibility to provide any supportive information required in order for the application to be assessed against the published admissions criteria, Manor Primary will not seek to obtain this information on behalf of the applicant.

The home address is considered to be the child's along with their parent/carer's main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relative's address will not be considered for allocation purposes.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

If a place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address then that place is likely to be withdrawn.

If there are a limited number of spaces available and we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats or are the result of a multiple birth, then the child or children who will be offered the available spaces will be randomly selected. This process will be independently verified.

Unsuccessful applicants will be placed on a waiting list in accordance with the oversubscription criteria stated above and not based on the date their application was received. If places become available after the offer date they will be offered to the child at the top of the waiting list.

Waiting Lists will be kept until the end of the autumn term of admission.

Inclusion on a school's waiting list does not mean that a place will eventually become available at the preferred school.

A child's position on a waiting list is not fixed and is subject to change during the year, i.e. they can go up or down the list since each added child will require the list to be ranked again in line with the oversubscription criteria listed above.

There is no statutory right of appeal for admission to a Governor Run nursery setting. Any disputes over the administration of the policy will be dealt with by the school complaints procedure.

In Year Admissions Arrangements for Manor Ducklings Nursery

We will admit children into the Nursery provision throughout the year/on a termly basis when funding is available and dependent upon the number of spaces available. This will be for children who are eligible to apply for a Reception place in the next academic year. If there are spaces available then we will accept children from the first term after their third birthday when they are eligible for Nursery Education Funding up to a maximum of 8 children in total.

Admission Arrangements for the Normal Age of Entry (Reception): Academic Year 2027/2028

Full time places in reception classes will be available in September of the academic year within which the child becomes five years old.

Although parents have the right to express a preference for Manor Primary Academy, there is no guarantee of a place being offered.

It is Manor Primary Academy's policy to try and meet parents' wishes where possible, however in some cases there may be more applications than there are places available.

Admission when oversubscribed is determined by the oversubscription criteria detailed below.

Oversubscription Criteria

If the total number of preferences for admission to Manor Primary Academy exceeds the school's Published Admission Number (PAN) of 15, the following order of priority is used to allocate the available places. (N.B., after applying the oversubscription criteria, where an applicant can be offered a place at more than one preferred school then they will be offered a place at the school ranked highest on their application.)

In accordance with legislation, children who have an Education Health and Care Plan that names Manor Primary Academy as being the most appropriate to meet the child's needs must be admitted. This will reduce the number of places available to other applicants.

1. Children in care and children who ceased to be in care because they were adopted (or became subject to a child arrangements order or special guardianship order), including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted
2. Children who satisfy both of the following tests:

Test 1: the child is distinguished from the great majority of other applicants either on their own medical grounds or by other exceptional circumstances.

Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This report must clearly justify, for health reasons only, why it is better for the child's health to attend Manor Primary Academy rather than any other school.

Exceptional circumstances must relate to the choice of school and the individual child, i.e. the circumstances of the child, not the economic or social circumstances of the parent/carer. They should be supported by a professional report (obtained by the applicant and provided at the point of application), e.g. social worker. This report must clearly justify why it is better for the child to attend the preferred school rather than any other school.

Test 2: the child would suffer hardship if they were unable to attend Manor Primary school.

Hardship means severe suffering of any kind, not merely difficulty or inconvenience, which is likely to be experienced as a result of the child attending a different school. Applicants must provide detailed information about both the type and severity of any likely hardship at the time of application.

3. Children who have an elder sibling in attendance at Manor Primary school and who will still be attending the school at the proposed admission date; (For admission purposes, a brother or sister is a child who lives at the same address and either: have one or both natural parents in common; are related by a parents marriage; are adopted or fostered by a common parent or are unrelated children who live at the same address, whose parents live as partners.)
4. Children living within the catchment area of Manor Primary.
5. Children who will have attended Manor Ducklings Nursery for a minimum of 30 half days prior to 28th February of the year of admission and who are eligible for Early Years Pupil Premium (EYPP)
6. Other children arranged in order of priority according to how near their home addresses are to the main gate of the school, determined by a straight-line measurement as calculated by the Local Authority's Geographical Information System.

Where it is not possible to accommodate all children applying for places within a particular category then the Local Authority will allocate the available places in accordance with the remaining criteria. If for instance, all the catchment area children (category 4) cannot be accommodated at the school, children who are resident within the catchment area will be arranged in order of priority according to attendance at Manor Ducklings Nursery and eligible for EYPP (category 5) then by distance from the school (category 6).

Additional Notes

Copies of school catchment area maps are available from the Local Authority or individual schools.

There is no charge or cost related to the admission of a child to a school.

Admissions are administered through a coordinated admission scheme and preferences for community, controlled, aided and foundation schools will be processed centrally by the School Admissions and Transport Service. Each child will receive only one offer of a place at a Staffordshire school.

Attendance at Manor Ducklings Nursery setting will not guarantee admission to Reception Class. Parents must make a separate application for admission to Reception at the appropriate time.

Children in Care means children who are in the care of, or provided with accommodation by a local authority in accordance with section 22(1) of the Children Act 1989 at the time of making the application.

It is the applicant's responsibility to provide any supportive information required in order for the application to be assessed against the published admissions criteria, Manor Primary Academy will not seek to obtain this information on behalf of the applicant.

The Local Authority uses a Geographical Information System (GIS) to calculate home to school distances in miles. The measurement is calculated using Ordnance Survey (OS) data from an applicant's home address to the main front gate of the school. The coordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) and OS Address Point data.

The requirement for Manor Primary Academy to meet the Infant Class Size legislation may result in the refusal of catchment area or sibling applications where a class has already reached its limit of 30 pupils. However, there are permitted exceptions to this legislation which Manor Primary Academy will regard when considering applications.

The home address is considered to be the child's along with their parent/carer's main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relative's address will not be considered for allocation purposes.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

If a place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address then that place is likely to be withdrawn.

If there are a limited number of spaces available and we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats, then the child or children who will be offered the available spaces will be randomly selected. This process will be independently verified.

Any Staffordshire child not obtaining a place at any of their parent's preferred schools will be allocated a place at their catchment area school (if places remain available) or the next nearest school with a space available and advised about the independent appeals process.

Deferred Entry to Reception Class

Manor Primary Academy will consider requests from parents to retain a place in the preferred school where the parents wish to defer their child's entry to a Reception Class until later in the same academic year or until the term in which the child reaches compulsory school age. The effect is that the place will be held for the child and is not available to be offered to any other child. Where it is possible to offer a place, deferral will be supported if the request is made at the normal time of application. A parent may not defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the application was accepted.

Manor Primary Academy will also consider requests from parents who wish their child to attend Reception Class on a part-time basis until the child reaches compulsory school age.

Admission Outside of the Normal Age Group

Parents may seek to apply for their child's admission to school outside of their normal age group, for example if the child is exceptionally gifted and talented or has experienced problems such as ill health. In addition, the parents of summer born children may choose not to send their child to school until the September following their fifth birthday and may request that they are admitted outside of their normal age group to Reception rather than Year 1.

These parents will need to make an application alongside children applying at the normal age which should explain why it is in the child's best interest to be admitted outside of their normal age which may include information such as professional evidence as to why this is the case and why an exception should be made in the case of the child. A decision as to whether this is an appropriate course of action will be made by the Governing Body who will take into account the circumstances of the case and views of the headteacher. Parents do not have the right to insist that their child is admitted to a particular year group.

Waiting lists

Unsuccessful applicants will be placed on a waiting list in accordance with the oversubscription criteria stated above and not based on the date their application was received. If places become available after the offer date they will be offered according to the child at the top of the waiting list.

Waiting Lists will be kept until the end of the autumn term of admission.

For cases where the infant class size regulations apply, the waiting list will operate until the cohort concerned leaves Year 2.

Inclusion on a school's waiting list does not mean that a place will eventually become available at the preferred school.

A child's position on a waiting list is not fixed and is subject to change during the year i.e. they can go up or down the list since each added child will require the list to be ranked again in line with the oversubscription criteria listed above.

Children who are subject of a direction by a local authority to admit or who are allocated to Manor Primary school in accordance with the Fair Access Protocol will take precedence over those on the waiting list.

Late Applications

Application forms received after the closing date will be considered alongside those applicants who applied on time wherever possible. Where it is not practicable because places have already been allocated, or are shortly to be allocated, then late applicants will be considered only after those applicants who applied by the published closing date.

A late application does not affect the right of appeal or the right to be placed on Manor Primary Academy's waiting list.

Repeat Applications

Parents do not have the right to a second appeal in respect of Manor Primary Academy for the same academic year unless, in exceptional circumstances, the school has accepted a second application from the appellant because of a significant and material change in the circumstances of the parent, child or school but still refused admission.

"In-Year Transfer" Arrangements

Parents or carers seeking to transfer to Manor Primary Academy may make an application using the appropriate application form. This application will be processed in the normal way but parents and carers need to be aware that any date set for joining the new school may be after the next term or half term holiday and those parents/carers are responsible for ensuring that their child continues to receive appropriate education in the interim.
