Sports at Manor

Next week is a big week for sport at Manor with our Fierte Festival running all week with a sports theme. We will kick off the week with an opening ceremony /assembly, watching inspirational videos and singing The Champion by Carrie Underwood (some of you may have had children singing it in the car?!). We then have a week of different coaches coming in to school to provide varied sporting experiences as well as tournaments and events at different venues. We also have Sports Day for parents to join us for on Wednesday morning. Between these events, teachers will be delivering some other sports lessons and even the work in the classroom will be mostly based around the theme of sport. Hopefully all children will have fun being active and healthy through the whole week.

At Manor, we also aim to provide sporting opportunities throughout the year. We have entered approximately 15 teams into sports competitions through this year and have won a few of these events. For a school of our size we certainly punch above our weight. It also means that all children of all abilities get an opportunity to represent the school during their time at Manor. Many of these children would not get that chance at a bigger school. With Mr Littler's help we have once again been

New Website

All Fierté schools will be getting a new website each for the start of the new school year. We are starting to look at what information we will carry over to the new site and we have photographer а booked to come in on 18th July to spend the afternoon gathering images to populate the new site. Hopefully the new site will bring us back up-to-date and be an easy to use source of information about Manor.

Library Reading Challenge

We had a guest librarian in assembly last week to tell the children all about the exciting Summer Reading Challenge Staffordshire Library Service are running this summer. It involves collecting stickers and awarded the Gold School Games Mark for this school year. Because we have reached Gold for several years in succession we are able to apply for a platinum award next year. We could never do this without the fabulous support of parents who transport their children to these events for us and of staff who give up their time to attend them too. Thank you.

Tennis Tournament

Last week we entered the Tamworth tennis tournament. Our team were keen but not very experienced at tennis. They played really well and won a couple of games. The team included two Year 5 boys and a year 4 girl so this will have been good experience for them for future years. Well done to Evie, Maria, Lucas and Archie for your excellent attitudes!

PTA

Don't forget, the parents' forum meeting on 14th July at 9pm will be discussing the set up of a new PTA. If you fancy getting involved and playing your part, however small, then either make sure to attend the meeting or leave your details with the office so we can contact you. Exciting times!

Uniform Swap and Book Sale

Think of the cost of one child's uniform then multiply it by the number of children in school and you are soon getting into the thousands of pounds. We try to keep costs down by not demanding logos or expensive styles but costs still mount up. Our Parents' Forum have volunteered to run a uniform swap sale day on the last Thursday of term. This will be a from 3pm. In order to allow any old uniform to be handed in rather than worn, we will have a non-uniform day on that Thursday too. If you have any clean uniform in good condition that your child won't fit into next September, please bring it in at any time from Monday 17th. It will be sorted into sizes by volunteers on Wednesday and Thursday 19th and 20th ready for sale. We will charge a nominal fee of £1 per item that will go towards treats for the children on the last day.

While we are selling uniform, we also have lots of children's books we no longer have space for. They are too good to throw away so will be selling them after school on Thursday 20th too. Make sure to bring some change to school that day and pick up some bargains!

Owls Doods

A well done to all the Owls who took part in the music festival at Coton Green. Children all behaved impeccably and produced some fantastic singing and music playing. Thank you also to the parents from Manor - there was such a huge turn out and they were all very enthusiastic too!

rewards for reading 6 books on the theme of sports and games from the library over the summer. The library bus will visit Drayton Bassett every 2 weeks through the summer if that is more convenient. The schools in Tamworth are competing to see who has the highest percentage uptake. We came 6th out of 25 last year with Millfield top. We want to overtake our neighbours this year if we can! School Dinner Prices

You will all have noticed the inflationary food price rises in the supermarkets over the last year and the cost to our kitchens of buying ingredients has risen equally fast. Fierté have fought hard to maintain their prices this year but have had to increase their prices for next school year to £2.60 per meal. Great value still (try making a packed lunch for less than £2.60!) and very convenient. Of course meals are still free for those eligible for free school dinners and for universal free school dinners in Reception, Year 1 and Year 2. The dinners are still of a high standard (I eat them every day!) and will only get better after a major kitchen refurbishment planned for this summer.

Star of the week Well done to the following children who have been awarded Star of the Week for this week's value and for excellent work: Aspiration! - We always do our best.

Robins

Robins had a great visit to church where they had a story, a snack and learnt all about the main features of the church. Thank you to Karen Hewish for showing them round and our volunteers for helping to walk them over safely.

Penguins

Penguins had several Rawlett science teachers come to visit them last week and they looked at the different states of matter. Fun learning in a secondary school style. Penguins loved it!
